

RURAL CANTERBURY
Primary Health Organisation
Te Roopu Hauora Matua O Waitaha Taiwhenua

Rural Canterbury Primary Health Organisation seeks an energetic and proactive individual to fill the role of Mental Health Brief Intervention Coordinator (BIC) in the Hurunui territorial local authority area.

BRIEF INTERVENTION CO-ORDINATOR

Part-time (0.5 FTE)

Based in Hurunui

The above position is part time and fixed until June 2013. The successful applicant will provide brief psychological intervention and service coordination for people with mild to moderate mental health concerns who are referred by their General Practitioner.

Essential Attributes:

- Relevant Mental Health qualification (with current practicing certificate)
- Significant mental health experience
- Knowledge of local mental health services, general practice capabilities, NGO providers and community support agencies
- Able to engage with General Practice Teams
- Excellent interpersonal and organisational skills
- Able to work independently and tolerate high demand
- Previous work experience in primary care would be an advantage
- Willingness to embrace a brief intervention model

Rural Canterbury PHO has an enrolled patient population of 86,803 and provides support for primary care patient services at general practice level in Ashburton, Hurunui, Kaikoura, Waimakariri and Banks Peninsula. Rural Canterbury PHO's philosophy is to provide the maximum range of quality health services to its enrolled population.
